MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Proposed [] Notices on
Emanations Security Responsibilities

REFERENCE : Memorandum of 30 January 1968 from Chief,
Operational Services to Chief, Support Services
Staff, DDS, subject: Proposed [] Emanations
Security Responsibilities for Information
Processing Equipment.

1. This is in response to your memorandum of 26 July on the
above subject.

2. We are glad to note your assurance that the Office of
Communications will take steps to identify and protect interests
of the Clandestine Services which may be affected in its discussions
within government and industry with regard to emanations security.

3. Since some further adjustments in the wording of the draft
notices appeared to be in order, representatives of this office
took the liberty of discussing them with representatives of the
Office of Communications and the Office of Security. Changes
which resulted from the discussions are marked on the attached
redrafts. The redrafts are acceptable to the Office of
Communications and the Office of Security as well as to this
office. They are forwarded for your consideration.
